# CHEWBACCA™

## STAR WARS

© & ™ Lucasfilm Ltd.

## A TRIBUTE TO A LIFELONG REBEL

Since *Return of the Jedi* premiered in 1983, the final movie in the Original *Star Wars*™ Trilogy has served not as a conclusion to the saga, but rather as a launchpad for an ever-expanding galaxy of stories we continue to explore and love. In our series of LEGO® *Star Wars* models celebrating

the film's 40<sup>th</sup> anniversary, Chewbacca deserves a special tribute. From the Clone Wars to the New Republic era, Chewie's lifelong commitment to the Jedi and his Rebel Alliance friends makes him one of the most loyal, determined and oldest heroes in the saga. A survivor, a hard-hitting force to be reckoned with – as Han Solo points out, 'It's not wise to upset a Wookiee' – and, overall, just an utterly endearing fuzzball.

Enjoy building!

**Jens Kronvold Frederiksen**

Creative Director, LEGO® *Star Wars*™

© & ™ Lucasfilm Ltd.

## **ACTIONS SPEAK LOUDER THAN GROWLS**

The Wookiee language may mostly resemble canine barks and snarls, but Chewbacca's actions speak louder than his expressive growls, both in his devoted affection for his friends and his resolve and honour in battle. After helping Yoda escape from Kashyyyk and later fleeing his home planet in the Clone Wars, Chewie teams up with Imperial deserter Han Solo and the two resilient outlaws become inseparable partners in crime. In our earliest encounters with Chewie, from

*A New Hope* to *Return of the Jedi*, his opportunistic small-time smuggling and dealings with the shadiest clientele on the roughest of planets in the Outer Rim Territories evolve into a Rebel warrior career as he fights alongside the boldest heroes in the galaxy to overthrow the Empire. At around age 200 during the Galactic Civil War, Chewie has seen and lived through more than most of his friends and has developed a very low tolerance for Imperial thugs, unnecessary dawdling and malfunctioning mechanics.

**'At last, we have the mighty  
Chewbacca.'** – Jabba the Hutt

## SOFT, WITH A ROUGH EDGE

How do you create soft-looking, flowing fur with edgy LEGO® bricks? Bringing Chewbacca to life in brick form required the creative use of elements that are traditionally used for other purposes.

- Visual expressions were key in creating an authentic Chewbacca model. Without an immediately decodable spoken language, much of his demeanour and intentions are conveyed through body language or a tilt of his head. Curved and sloped elements in different shades of brown became the formula for capturing the fuzzy, furry look and a sense of flow in the figure.
- Chewie's bowcaster strap element was originally designed as a part of the LEGO Ideas Typewriter (21327).
- While the model exterior is mainly composed of brown shades, the interior has more colour variations to make the building experience intuitive.
- The expressions on Chewie's face, his eyes and mouth in particular, are shaped with a combination of very small elements to bring out his personality. And the canine teeth? Repurposed LEGO lipstick elements!

## MEET THE MODEL DESIGNER

'In the past, we have released other prominent *Star Wars*™ characters, like Yoda or Grogu, in brick-built form. Chewbacca, a renowned character loved by fans of all ages, is the perfect candidate to join this collection. We wanted to give him a dynamic pose, holding his trusted Wookiee bowcaster and wearing his signature

bandolier and satchel, while capturing the colouring and organic look of his fur, his stature and his personality. Wookiees are quite tall, over 2 meters/6.5 feet, and this scale model is designed to be stable and balanced while you build, display or move it. The result: a display model that shows off Chewbacca's strength as well as his gentler side. Enjoy your time with our favourite Wookiee!'

**César Carvalhosa Soares**  
LEGO® *Star Wars*™ Senior Designer
